Fall Banquet 2024

The Glenmore Inn hosted us again for our fall banquet. Thanks to the organizers, Jenny Aikenhead and Kim Tidswell, who planned everything for the event. The Basket Curators, led by Setsuko Moulton, were Gail Cramer, Lorraine Pierce-Hull, and Kim Tidswell. Looks like Sheila Perkins shared her knowledge to the new team. Liz Whitehouse helped with the event, as well. Thanks to all who contributed to create a perfect event.

Gift Basket Crew at work for the Christmas baskets. Just like little elves.

It was a fantastic event and so fun to see everyone in their holiday finery. I took the picture on the left at Barrier Lake where these beauties were bundled up and sporting the windblown look. I thought it would be fun to see them at the banquet and compare. However, I only managed to get a picture of Shelley and she won a prize too (Thanks for posing, Shelley.)

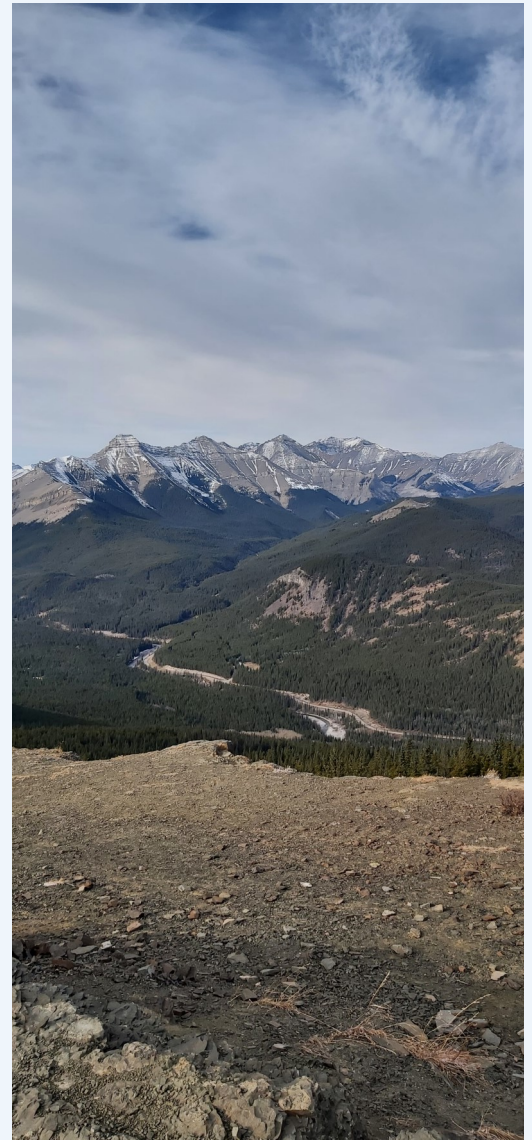

All the best for 2025 to you and yours!

Indian Oils

It was a beautiful day for hiking. This is a really interesting area, and even though the club has hiked in that area before, several people commented they had not been to Mount Hoffman. Pictured is Kyra, our outgoing summer hike coordinator standing right on top of the mountain. Thanks to you for all the work planning our summer hike seasons the past few years.

This was a fun and funny hike as our group passed the B1's who were scouring the route for a lost water bottle. Luckily it was found in the owners backpack! We all had a good laugh over that one.

Thanks to Gail Cramer for taking on the role of Day Leader. We all appreciate all the Day Leaders who plan the hikes and organize the groups and coordinate with the bus coordinator. In fact, thanks to all the volunteers who take on tasks small and large that help to make the club events safe and memorable for everyone. A reminder to everyone that training and help is available for first time leaders and volunteers.

This event may be of interest to some people and their families:

CPAWS Message

CPAWS (Canadian Parks and Wilderness Society) has sent a letter earlier this month in regards to Bill 35. As lovers of wilderness, some of you may be interested in their concern over the changes to development rules.

<https://cpaws-southernalberta.org/paving-paradise-with-all-season-resorts/>

This website will take you to their letter that states their concerns.

The Last Word

Brian Plesuk recently received a donated pair of skis from an Evergreen member's family.

With gratitude for that generosity, he'd like to donate, to a club shutterbug, a Canon SX 40 HS SLR camera.

Interested? Brian 403 863-6629; plesuk@shaw.ca
